Email address registration

You have to enter **your personal email address**, because from now on all communications from Unitn will be sent to the email you register here.

If you don't have one yet, you have first to create one (for example using one of the many online services such as Gmail, Hotmail, Yahoo!...).

NB: if you are a unitn student and don't have other tasks at the University, **but you don't remember your password, click on "retrieve"**, digit your email address and follow the instructions to retrieve your account (note: those who have a unitn account not for students, have to contact the relevant IT office in case they don't remember their password)
