¹ Reserved scholarships can only be assigned to those candidates who will ask for and obtain the specific eligibility. The request for reserved scholarship/s must be consistent with the curriculum/a chosen (i.e. if you choose curriculum A, you can select only the reserved scholarship of that curriculum); inconsistent requests will be disregarded.

The Programme offers 4 Curricula and each applicant may apply to maximum 2 Curricula. Within each Curriculum, the applicant may choose the research scholarships which are linked to a specific research topic and which require specific competencies in that field. Applicants interested in one or more of these scholarships must carefully check the topic and the requirements listed on the [selection webpage](#).

The scholarships dedicated to specific research topics (reserved positions) may be assigned only to those applicants who specifically apply for them.

This kind of positions are actually related to a specific research topic, for which specific skills are required. Applicants interested in one or more reserved positions must therefore carefully check on the [selection website](#) the topic and the required skills, and if the scholarships entail the acceptance of confidentiality commitment and/or transfer of intellectual property rights (see the [selection webpage](#)).

The positions with scholarships or other financial support may be increased after the publication of this call till the assessment of qualifications. All the new positions available will be posted solely on the [selection website](#).

Additional positions: scholarships that will be available after the publication of this call (and published on the selection website) can be selected by using the entry “Other” in the proper section of the online application, and indicating in the specific field the title of the scholarship chosen. Applicants who have already closed and sent the application before the publication of additional scholarships can apply for those scholarships using an additional online application (more information will be given on the selection website).

Moreover, applicants selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 38th Cycle in additional positions.

Deadline for application: August 25th, 2022, hrs. 4.00 PM (Italian time, GMT +2)

Duration: Three years

Start of the Academic Year: November 1st, 2022

Official language: English

- [Selection website](#)
- [Doctoral Programme website](#) (information on the Programme, admission to subsequent years and to the final examination)
- [Rights and duties of doctoral students](#)
- [Info about doctoral scholarships](#)
- [Scientific areas](#) (with reference to the Italian Ministerial classification)

Important:

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection due to an incomplete application (art. 3), the exclusion for foreign qualification not recognized as suitable (art. 2), and any notices related to the call will be published only on the [call webpage](#); the applicants **will be identified through the application ID therefore it is recommended to keep it safe**. The publication on the website is to all intents and purposes valid as official notification, and no personal communication will be sent.
- b. Possible communication related to the call for selection will be sent by e-mail to the applicants' personal email address connected to the account registered by the system when closing the application. Applicants with an active or just concluded career at the University of Trento are advised to check their personal email address at the link: [Profile data for account](#). In case you need to change your personal email address after the application closure, please send a request to the Doctorate Office S&T (phd.office-st@unitn.it).

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian “Laurea Magistrale” or “Laurea Specialistica”, according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004;
or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica e Musicale);
or
 - c. an equivalent foreign degree (Master’s degree) obtained at an officially recognized academic institution, valid for admission to Doctoral studies in the Country it has been issued (except for substantial differences) and similar (duration

and level) to the Italian degree, recognized as eligible² by the Selection Committee for the sole purpose of accessing this specific Doctoral Programme³.

2. Applications are also accepted from students expected to obtain the necessary degree **by October 31st, 2022**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 8th, 2022, on penalty of exclusion**, the certificate awarded or a self-declaration (using the [Declaration substituting Degree Certificate](#) also available on the call website).
3. Applicants with a foreign qualification that has not been officially recognised as **equivalent⁴** to a second cycle Italian degree (Laurea Magistrale/Specialistica/vecchio ordinamento) will be considered as **requesting equivalence in their application**, by attaching the necessary supporting documents.
It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one.
The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.
4. Applicants who have already obtained the Doctoral degree will be admitted to attend a second Doctoral Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctoral degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new Doctoral Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application⁵ must be **completed and submitted by hrs. 04.00 p.m. Italian time of August 25, 2022, exclusively through the online system: [Doctoral Programmes Applications](#)**
Authentication to the registration procedure is possible through:
 - **SPID⁶**; to access the registration procedure we advise to use SPID, the Italian Public Digital Identity System, which automatically certifies the applicant's identity on the UniTrento systems and sets up an account as @unitn.it. To request a SPID identity (useful to access different online services of the Italian Public Administration) **it is mandatory to hold an Italian ID and a tax code**: please visit the webpage: [How to activate the SPID identity](#);
 - **University of Trento account**: for those who do not have SPID identity but already have a University of Trento account can access the application procedure with their existing username (name.surname@guest.unitn.it, or name.surname@unitn.it). Please see here, if you **forgot your password**; to have more information on UniTrento [username and password](#);
 - **a UniTrento "guest" temporary account**: only those who do not have a SPID identity or a University of Trento account can set up a temporary "guest" account. After the matriculation, this account will be converted into a final one as @unitn.it. Procedure at: [Account registration info](#)⁷.
2. To finalize the application a non-refundable **application fee of € 15** (fifteen) is to be paid by **PagoPA payment system⁸** according to the instructions given in the appropriate section of the online application.
3. The online application can be saved and modified several times until the final submission. Thereafter it can no longer be changed. **The online application is considered to be a self-declaration of personal data and qualifications with full legal effect**. It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted and an email notification has been received. There will be no liability with the University in the event that an application is not submitted correctly.
4. When filling out the application online applicants must choose, within one or maximum two curricula (see art. 1), one or more reserved scholarships, specifying the order of preference, they want to be evaluated for. The order of preference is not binding for the Selection Committee.

Important: the candidate's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship over the others.

5. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments will result in automatic exclusion from the selection)
 - A. **Identifying document (ID):**
A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;
 - B. **Academic degree for admission to the Doctoral Programme:**
 - a. **Italian qualification:**
 - **already obtained/to be obtained: a self-declaration**, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possession of a degree (art. 2 of this Call), “Classe di

b. foreign qualification⁹:

• **already obtained:**

- a **certificate attesting to the possession of a second level university qualification** (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date it was awarded and the relative grade;
- a **list of examinations** taken to obtain the qualification to access a Doctoral Programme (**academic transcript of records of the Master’s degree**) with relative credits (if provided for in the university system of the country that awarded the qualification), marks, and rating scale.

If the university studies carried out abroad are divided into first and second level, the Bachelor’s degree and the list of examinations taken to obtain that degree (*academic transcript of records of the Bachelor’s degree*) should also be attached.

• **to be obtained:**

- a **certificate of enrolment in a course of study that allows admission to a Doctoral Programme** (see art. 2 paragraph 1 letter c), with a **list of the examinations** successfully passed, credits obtained in each examination (if provided for in the university system of the country that awarded the qualification), marks, rating scale (academic transcript of records) and the possible award date.

If the university studies carried out abroad are divided into first and second level, the Bachelor’s degree and the **list of examinations** taken to obtain that degree (academic transcript of records of the Bachelor’s degree) should also be attached.

If the aforementioned **documents** are **not in English**, they must be accompanied by a **translation** in Italian or in English **made provisionally by the applicant** who takes responsibility for the accuracy of the translation and its compliance with the original text.

- C. **curriculum vitae et studiorum** in Italian or English, preferably according to the [Europass model](#); all academic degrees held and any university enrolments in progress must be specified in detail (please specify also the High School diploma details);
- D. **summary of the Master’s degree thesis** written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (max 2 pages);
- E. **Description of the research proposal and statement of purpose in English** (maximum 3 pages) related to the research areas of the Doctoral Program in Civil, Environmental and Mechanical Engineering. The list of research topics is available on the [selection website](#). Applicants wishing to participate in one or more reserved scholarships must attach a file containing the specific project. Applicants can attach only one research project. For any scholarships on reserved topics that will be available after the deadline of this call, see art. 4. **The applicants awarded a scholarship on a specific reserved topic must accept it otherwise they will be excluded.**

6. OPTIONAL ATTACHMENTS:

- A. **List** of possible publications; please do not send the entire publications, as the Selection Committee will evaluate only the list.
- B. any additional qualifications, such as international examinations (GRE or equivalent), useful for assessing the applicant’s attitude towards research (Master’s thesis, scientific publications, any documents regarding awards, post-graduate studying and research activities, language certifications, scholarships - also for the purposes as in art. 8 - etc....);
- C. copy of the first-level academic degree (Bachelor’s degree) and transcript;
- D. up to two (2) names of referees working at universities or national and international research institutions, with details of their e-mail addresses.

Once the relevant section of the application has been completed and saved by the applicant, the system automatically sends (within 24 hours) to the referee an e-mail with instructions and forwarding method.

The letter should be completed according to the model that will be sent to the referee.

Applicants are recommended to make sure that their referees submit the letter of presentation **by August 31, 2022**.

E. **Applicants with a foreign qualification** may attach:

- **academic diploma of the Master’s degree** (Master of Science/Arts or equivalent), in its original language and

⁹ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

- **Diploma Supplement (DS)**¹⁰ drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES;

alternatively

- **Declaration of value**¹¹ which certifies that the educational qualification is valid in the country of issuance for admission to a Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8);

alternatively

- **Statement of comparability of foreign university qualification**¹² issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

If the foreign academic qualification has already been recognized as equivalent¹³ to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached.

7. The University will accept additional documents to be included in the application submitted if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- applicant's Surname and Name – Doctoral Programme in Civil, Environmental and Mechanical Engineering – 38th cycle - Supplement to application") **by August 25, 2022 at 4:00 p.m. Italian time.** Additional documents submitted by other means will be disregarded.
8. Only documents (originals or copies) in English and Italian will be considered for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant.
The mandatory attachments required at points D and E (art. 3) must be submitted in English by all applicants.
9. All applicants are admitted to the selection procedure **conditionally upon ascertainment that they fulfill the admission requirements (art. 2).** The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. **The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of applicants lacking the requirements specified in the present call.**

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by a Selection Committee appointed by the Rector upon advice from the Doctoral Committee, in accordance with the University Regulations for Doctoral Programmes. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the Doctoral Programme and the chosen curriculum.
The selection is made on the basis of the assessment of all the mandatory applicant's qualifications listed in previous art. 3
The Selection Committee may contact the applicant for an in-depth interview or a video-interview concerning the material submitted and the subjects of the chosen Research Area. This online interview will not entail additional points and will be held from September 5, 2022.
3. Applicants interested in applying also for scholarships on specific research subject (reserved scholarships) must specify it in the online procedure. Candidates, who will have sent the application by the deadline, may also opt for any scholarships on reserved topics that will be available after the deadline of this call. These scholarships will be published on the selection website together with the instructions on how to access the online system that will be available only from August 26 till August 31, 2022, 4.00 PM (GMT +2) Italian time.
The Selection Committee will evaluate the eligibility of the applicants for the position they shown their preference, on the basis of the documents (research project) they uploaded in the online application, or they sent lately as an integration.

Important notice: the applicant's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship over the others.

4. The Selection Committee will award a maximum of 100 points, of which:
 - 30 points for the assessment of qualifications and curriculum vitae;
 - 60 points for the assessment of research proposal and statement of purpose.
 - 10 points for the assessment of the summary of the degree thesis.
5. Applicants obtaining a minimum score of 60/100 will be short-listed.
6. The assessment of qualifications will take place at the Department of Civil, Environmental and Mechanical Engineering, Via Mesiano, 77 – 38123 Trento, starting from September 5, 2022.

¹⁰ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification. Art. 5– RANKINGS

1. At the end of the selection procedure, the Selection Committee draws up one ranking list for each curriculum.
2. The available positions are assigned to short-listed applicants according to:
 - a) the position in the ranking list;
 - b) for reserved scholarships according to the position in the ranking list and the applicant's eligibility for that specific scholarship.

In case of equal score see following art. 6.

3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available. With reference to each Curriculum, should any positions and/or scholarships remain, these are not assigned to candidates in the other rankings.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ENROLMENT

1. Short-listed applicants are admitted to the Doctoral Programme based on their position in the relevant final ranking list until all available positions in each curriculum have been filled. All applicants compete for the award of the scholarships funded by the University of Trento; however, applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the Doctoral Programme. If a candidate is chosen in more than one curriculum, he/she is enrolled in the curriculum that was selected as first choice in the application online and deleted from the other ranking. The winners of reserved scholarships will be required to enroll in one of the topics in which they have obtained the eligibility by the Committee.
2. Should two applicants obtain the same score, regarding the award of the scholarship, the applicants' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two applicants will be selected.
3. Admitted applicants must enrol following the instructions at [Enrolment 1, 2, 3 year](#):
 - **within 8 days** starting from the day following the publication of the final ranking lists on the selection website for **positions covered with scholarships or other form of financial support**;
 - **within 14 days** starting from the day following publication of the final ranking lists on the selection website for **positions without scholarships or other form of financial support**.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase – “Application procedure”) to the Doctorate Office S&T (sending them in advance by email: phd.office-st@unitn.it) by **November 8, 2022**:

- **academic diploma of the Master's degree** (Master of Science/Arts or equivalent) in the original or certified copy, **together with the academic transcript of records**, possible official translations¹⁴, legalized or with an apostille affixed¹⁵ (please carefully verify the fulfillment of the requirements set by the issuing country of the title).
- **Diploma Supplement** (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area (EHEA))

Alternatively

- **Declaration of Value**¹⁶ issued by the Italian diplomatic or consular representations country of origin of the institution that awarded the title

Alternatively

- **Statement of comparability of foreign university qualifications**¹⁷ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by November 8, 2022, admitted applicants must deliver a document showing that they asked the University/the Italian diplomatic or consular representations/the ENIC-NARIC center for the documents to be issued.

Admission to the Doctoral Programme for successful applicants who do not provide the required above-mentioned documents by November 8, 2022 will be “conditional” and the applicants will lose their right to continue the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
- upon verification, their title is not in compliance with the requirements of this call for selection. In the case of loss of student status, the applicant must return the scholarship instalments eventually received.

¹⁵ See: <https://www.studiare-in-italia.it/studying/info-13.html>

¹⁶ Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available.

¹⁷ The University of Trento signed an agreement with the CIMEA Association about evaluating and verifying foreign titles through the online platform Diplome. Further information at: <https://international.unitn.it/incoming/diploma-verification>

- Note that the enrolment on the Doctoral Programme must include the payment of stamp duty and the payment of the "provincial tax for the right to higher education" - TDS¹⁸ (except for exemption cases). At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
- Admitted applicants who do not enrol by the above-mentioned deadlines will lose their right to enter the Doctoral Programme, and their places will be offered to the next applicants on the relevant ranking.
- If a successful applicant withdraws **before the beginning of the Doctoral Programme** (November 1, 2022), the next applicant on the ranking will be offered the position, if entitled to it based on the eligibility assessment for reserved scholarships. The latter must enroll on the Doctoral Programme **within 4 days** starting from the day after the day on which the communication from the Doctorate Office S&T is sent.
- If a successful applicant withdraws or is excluded after the beginning of the Doctoral Programme and **during the first three months of the first year**, the Doctoral Committee may decide to fill the vacancy with the next applicant on the relevant ranking, considering the acquired eligibility for reserved scholarships.
- At the end of the enrolment period, doctoral students must communicate via e-mail (dicamphd@unitn.it) to the Doctoral Programme Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year, must submit adequate motivations and justifications by no later than November 8, 2022, on penalty of exclusion from the Doctoral Programme. The last deadline to arrive in Trento is January 31, 2023. In the case of a lack of communication and failure to arrive in Trento by the abovementioned deadline Doctoral students will be considered excluded from the Doctoral Programme.

Art. 7 – SUPERNUMERARY POSITIONS

- According to art. 18, par. 3 of the University Regulations for Doctoral Programmes, and up to the number of positions indicated in art. 1 supernumerary applicants may be admitted without a scholarship paid by the University, after passing the selection procedure, if they fall within one of the following categories:
 - shortlisted foreign applicants who are granted scholarships by other entities;
 - shortlisted applicants from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;
 - research fellows (Assegnisti di ricerca) ex art. 22 of the Italian law 240/2010 whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the Doctoral Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
- Short-listed applicants who wish to assert their requirements for supernumerary positions shall request for such admission by submitting appropriate documentation proving their status via e-mail to phd.office-st@unitn.it, **within 8 days** from the next day of the publication of ranking lists. Supernumerary admission is determined by the number of supernumerary positions listed in art. 1 following the order in the relevant ranking.
- After verification of the documents referred to in paragraph 2 of this article, applicants admitted to supernumerary positions will receive an email notification from the Doctorate Office S&T (phd.office-st@unitn.it) and must deliver their acceptance within the deadline specified in the email text itself.
- Any applicant selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to positions additional with respect to the quota specified at point 1 of this article.

Art. 8 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

- Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations (in particular, the Regulations on Intellectual Property Rights issued with Rectoral Decree no. 539 of 22/07/2020 and subsequent amendments) and, if necessary, according to the provisions in the individual agreements with universities, companies or other institutions involved¹⁹.
- Before starting their research activities, the admitted applicants must sign a declaration, validated by the academic supervisor, regarding their commitment to confidentiality about information, data and reserved documents they can learn about during their doctoral activities at and/or on behalf of the University of Trento. When the research activities are funded by private or public bodies other than the University, the admitted applicants must sign a declaration, validated by the academic supervisor, to allow the University to respect its duties about the intellectual property rights towards the funding body and eventually a Declaration of commitment with the funding body, when required.

¹⁸ Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <https://www.unitn.it/en/ateneo/1931/education-tax-tds-and-stamp-duty> provides information on exemption from the TDS.
